

Every little bit helps.

NEW! Paper Mate® Biodegradable

Paper Mate® Biodegradable Ball Point Pens & Mechanical Pencils

- Earth friendly – trusted quality – great value
- Biodegradable components are made from an exclusive corn-based material, a renewable resource, to produce less waste and more compost.
- Smooth, comfortable writing experience you love and trust from Paper Mate®
- Available in ball point pen and mechanical pencil

*Biodegradable components compose the majority of pen and pencil and are biodegradable in soil/home compost within about a year. Disassembly instructions on package.
